

PALUX FunctionLine Grill Pan 600

Plus points at a glance:

- **Grooved, special steel roasting top** for visually appealing grilling of meat, fish and vegetables,
- heating element directly below the roasting top for **optimum energy transfer** and even temperature distribution,
- higher power means **short heating up times**,
- thermostat integrated into top for **optimum temperature control plus safety thermostat**,
- **simple cleaning** of the roasting top due to large, tight drain plug made from special Teflon; drain leading into GN 1/1 container in the base cabinet.
