

DISHWASHING MACHINES / AL RANGE

Specifications for the range:

The Aristarco front-loading dishwashers are sturdy and elegant, designed to meet all washing needs while guaranteeing high quality long-lasting performance.

The **AL range** is entirely made of stainless steel is the top of the Aristarco range since it features the latest technologies that assure the best performance in terms of hygiene, efficiency, energy saving and ergonomics.

Trays, pizza plates and tall glasses can be easily washed thanks to a usable wash height up to 45 cm.

The AL range products have a **double skinned insulated body** that gives them thermal insulation and a complete silence. An electronic control panel allows the visualisation of the different dishwasher working stages.

The washing chamber and wash tank are entirely performed with rounded corners to prevent build-up of dirt and to facilitate daily cleaning operations. The self-cleaning wash tank automatically conveys residues to the drain ensuring an excellent wash performance.

A unique system, easy to access, includes both the overflow pipe and the pump suction filter.

Surface filters can be removed for carrying out cleaning operations and prevent dirt and food residues from entering the tank maintaining washing water clean longer.

Rinsing and washing system is based on top and bottom rotating spray arms made of stainless steel tubes. They are designed to be fully removable to facilitate their cleaning and therefore to ensure them a longer life.

Easy maintenance, a wide range of accessories, safety thermostats and door micro-switches are the other distinguishing features of this range.

ARISTARCO

DISHWASHING MACHINES / AL RANGE

Specifications

Model	AL 50.34
Dimesnions	B600 x D605 x H845 mm
Basket sizes	500 x 500 mm
Useful washing height	330 mm
Washing/ rinsing arms	Upper and low
Output p/h- baskets	60 - 30 - 20
Cycle	60 / 120 / 180 sek.
Water quantity per cycle	3 lt.
Wash pompe	800 W
Boiler heating element	4500 W
Tank heating element	4500 W
Total power	5300 W
Boiler capacity	5 lt.
Tank capacity	27 lt.
Total weight	77 kg
Voltage	400V, 3N, 50Hz
