

**ARISTARCO**

## DISHWASHING MACHINES / AS RANGE

### Specifications for the range:

The Aristarco front-loading dishwashers are sturdy and elegant, designed to meet all washing needs while guaranteeing high quality long-lasting performance.

**AS series** premium range for functionality and manufacturing quality, consists of appliances entirely made of stainless steel with a **double skinned body** that gives them thermal insulation and a complete silence.

The range includes both entry-level versions with electromechanical controls and digital versions with multifunction panels to visualise the different dishwasher working stages.

Trays, pizza plates and tall glasses can be easily washed thanks to a usable wash height up to 40 cm.

**The self-cleaning wash tank** automatically conveys residues to the drain ensuring an excellent wash performance. The performed tank bottom features and its rounded corners facilitate the daily cleaning operations.

**Rinsing and washing system** is based on top and bottom rotating spray arms made of stainless steel tubes. They are designed to be fully removable to facilitate their cleaning and therefore to ensure them a longer life.

Easy maintenance, a wide range of accessories, safety thermostats and door micro-switches are the other distinguishing features of this range.

DISHWASHING MACHINES / AS RANGE

## Specifications

Model	AS 50.35 DGT
Dimesnions	B598 x D605 x H838 mm
Basket sizes	500 x 500 mm
Useful washing height	340 mm
Washing/ rinsing arms	Upper and low
Output p/h- baskets	60 - 30 - 20
Cycle	60 / 120 / 180 sek.
Water quantity per cycle	2,5 lt.
Wash pompe	800 W
Boiler heating element	4500 W
Tank heating element	4500 W
Total power	5300 W
Boiler capacity	5 lt.
Tank capacity	35 lt.
Total weight	69 kg
Voltage	400V, 3N, 50Hz
